

COMMUNITY WELLNESS PROGRAM

A Free Wellness Day, Fully Managed

A one-page overview for HOA boards, property managers, and community boards.

01 WHAT IT IS

We bring the pharmacy to your clubhouse.

Anchor Pharmacy hosts a complete wellness event inside your community — vaccinations, screenings, and one-on-one medication reviews. Our licensed team handles scheduling, promotion, registration, staffing, insurance billing, and cleanup. Your only job is to reserve the room.

COST TO COMMUNITY

\$0

Covered by Medicare and most insurance plans.

02 SERVICES ON SITE

Vaccinations

Flu, COVID-19, RSV, shingles, pneumonia, and Tdap — administered by licensed pharmacists.

Health screenings

Blood pressure, blood sugar, and cholesterol checks with results explained on the spot.

Medication reviews

Private one-on-one consultations to catch interactions, duplicates, and savings.

Wellness education

Plain-language guidance residents can take home, plus follow-up reminders.

03 HOW IT WORKS

01

Reach out

Two-minute request form or a phone call.

02

We plan it

05 QUESTIONS BOARDS ASK

Is there really no cost?

No cost to the association or to residents. Services bill to Medicare Part B or the resident's plan; uninsured residents are never turned away.

How long does it take?

Most events run two to three hours and serve 25–75 residents.

How much space do we need?

A clubhouse room or lobby with two tables' worth of space. We bring everything else.

What about liability?

We carry full professional liability coverage and provide a certificate of insurance on request.
